H. M. Finch

1970 LIBERANNI

The waterfall glides into the mind, bringing with it images of paths newly made, of sparkling freshness, and of the rushing surge of forces capable of fomenting change.

The stream does not course the same slope forever, nor are the same water molecules to be found dropping over the edge and rebounding to light up the world with crystalline light and white-sounding foam.

There is nothing constant in the Universe -

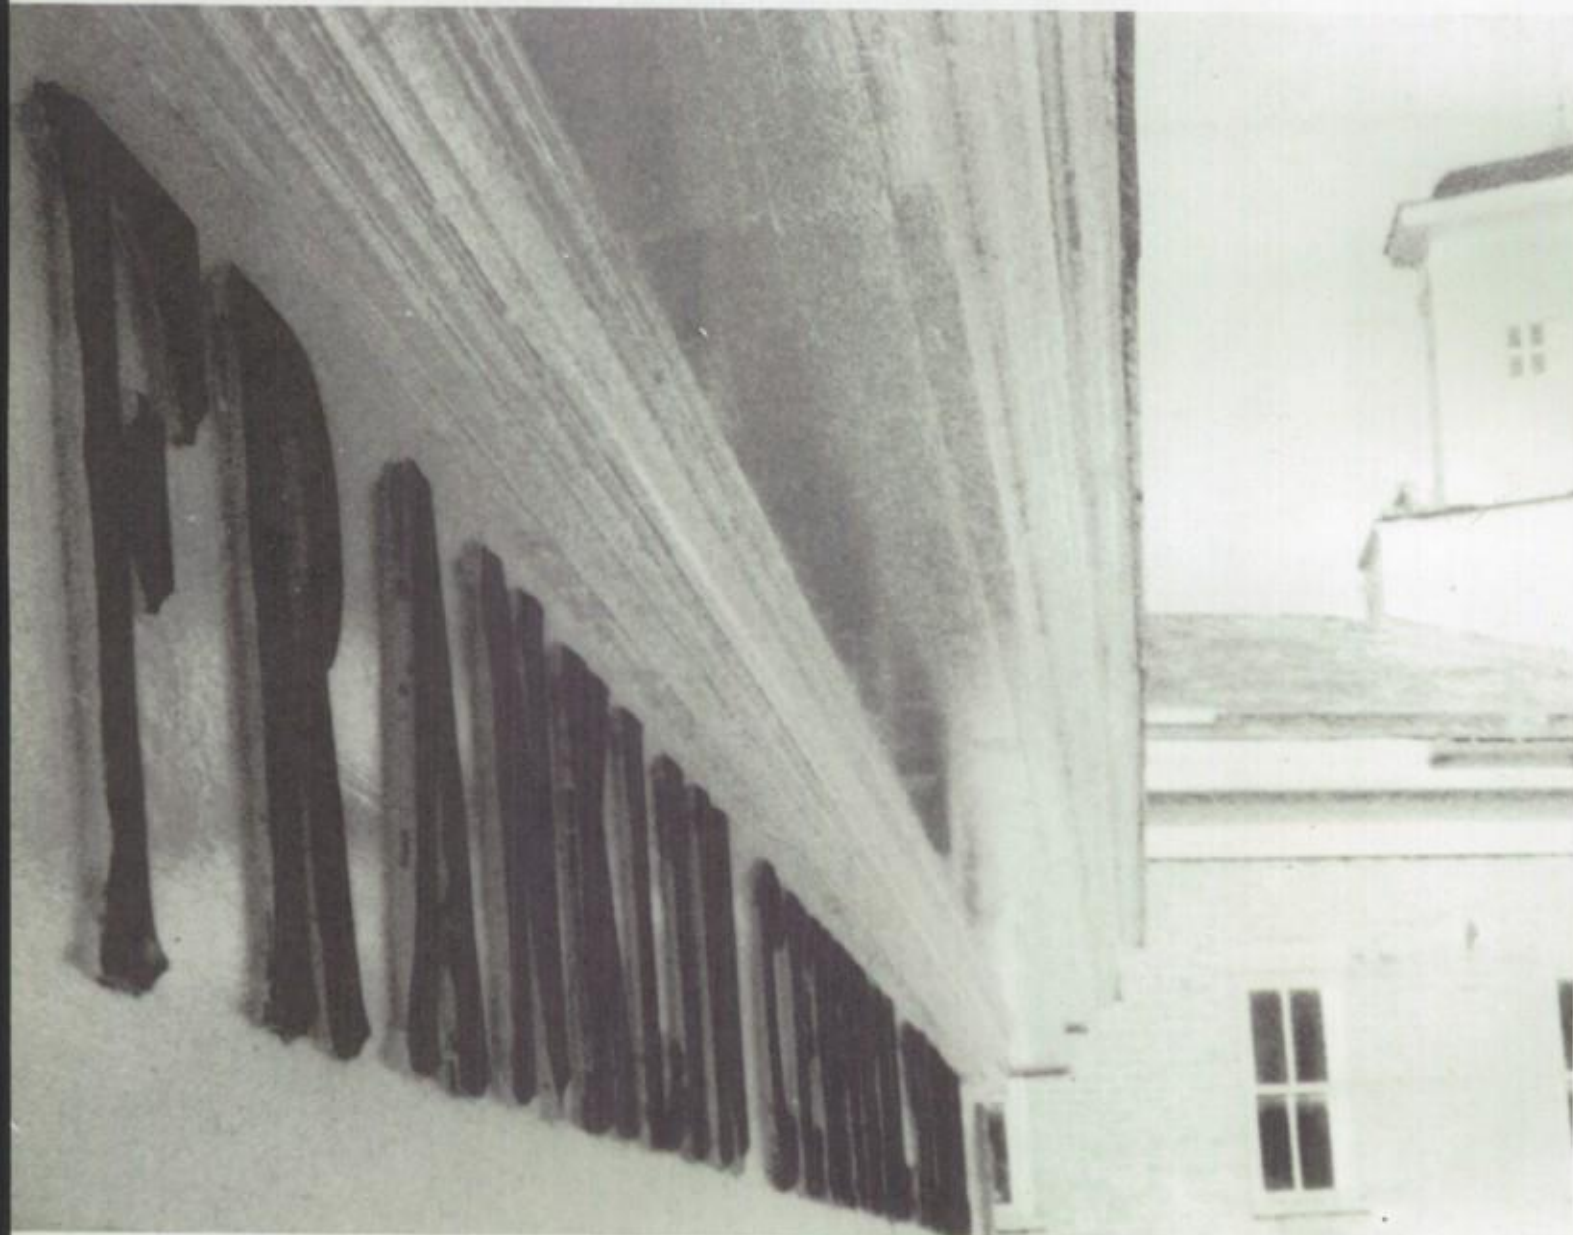

All ebb and flow and every shape that's born

Bears in its womb the seeds of change . . .

- Ovid: METAMORPHOSIS

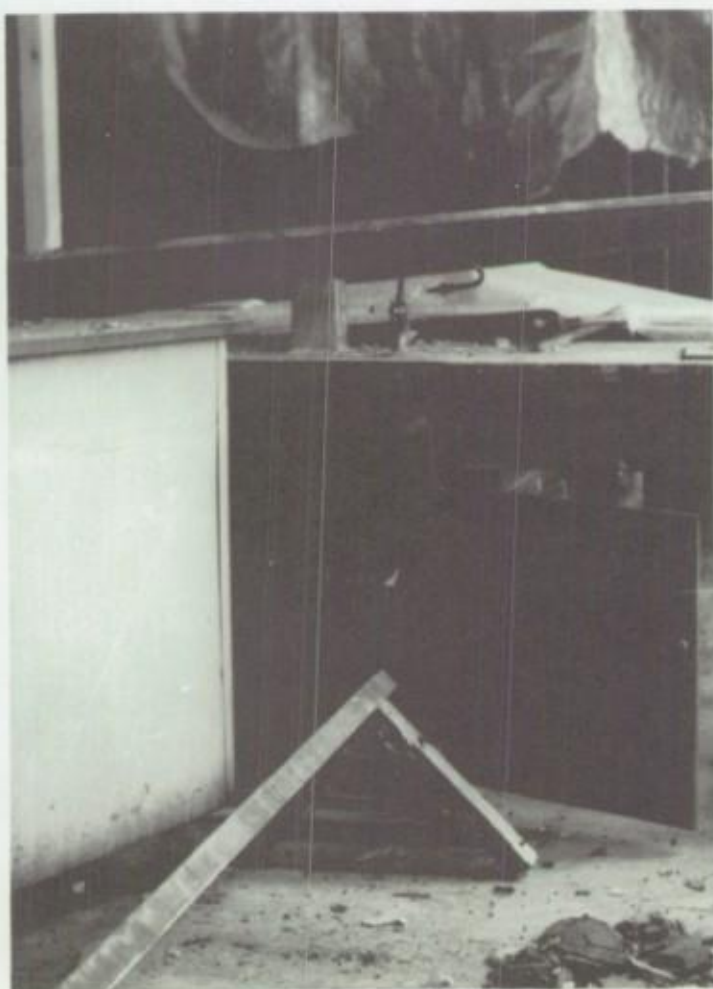

Changes follow direction and lines of force, sometimes energetically focused and leading to a perspective vanishing point, distant in the future . . .

Yet somehow in the past, whence we have retreated . . .

. . . We will prepare our strong attack on the future.

Reflections of change

The 1970 Liberanni is dedicated to Mrs. Donald Law, and to the townspeople of Franklin.

Mrs. Law, who, until last year, was language instructor at D.L.I., taught French, Spanish, and Latin with much enthusiasm and devotion.

Possessing an extensive background in history, Mrs. Law brought language to life, and vividly recounted both traditions and change, in the native country, of each tongue.

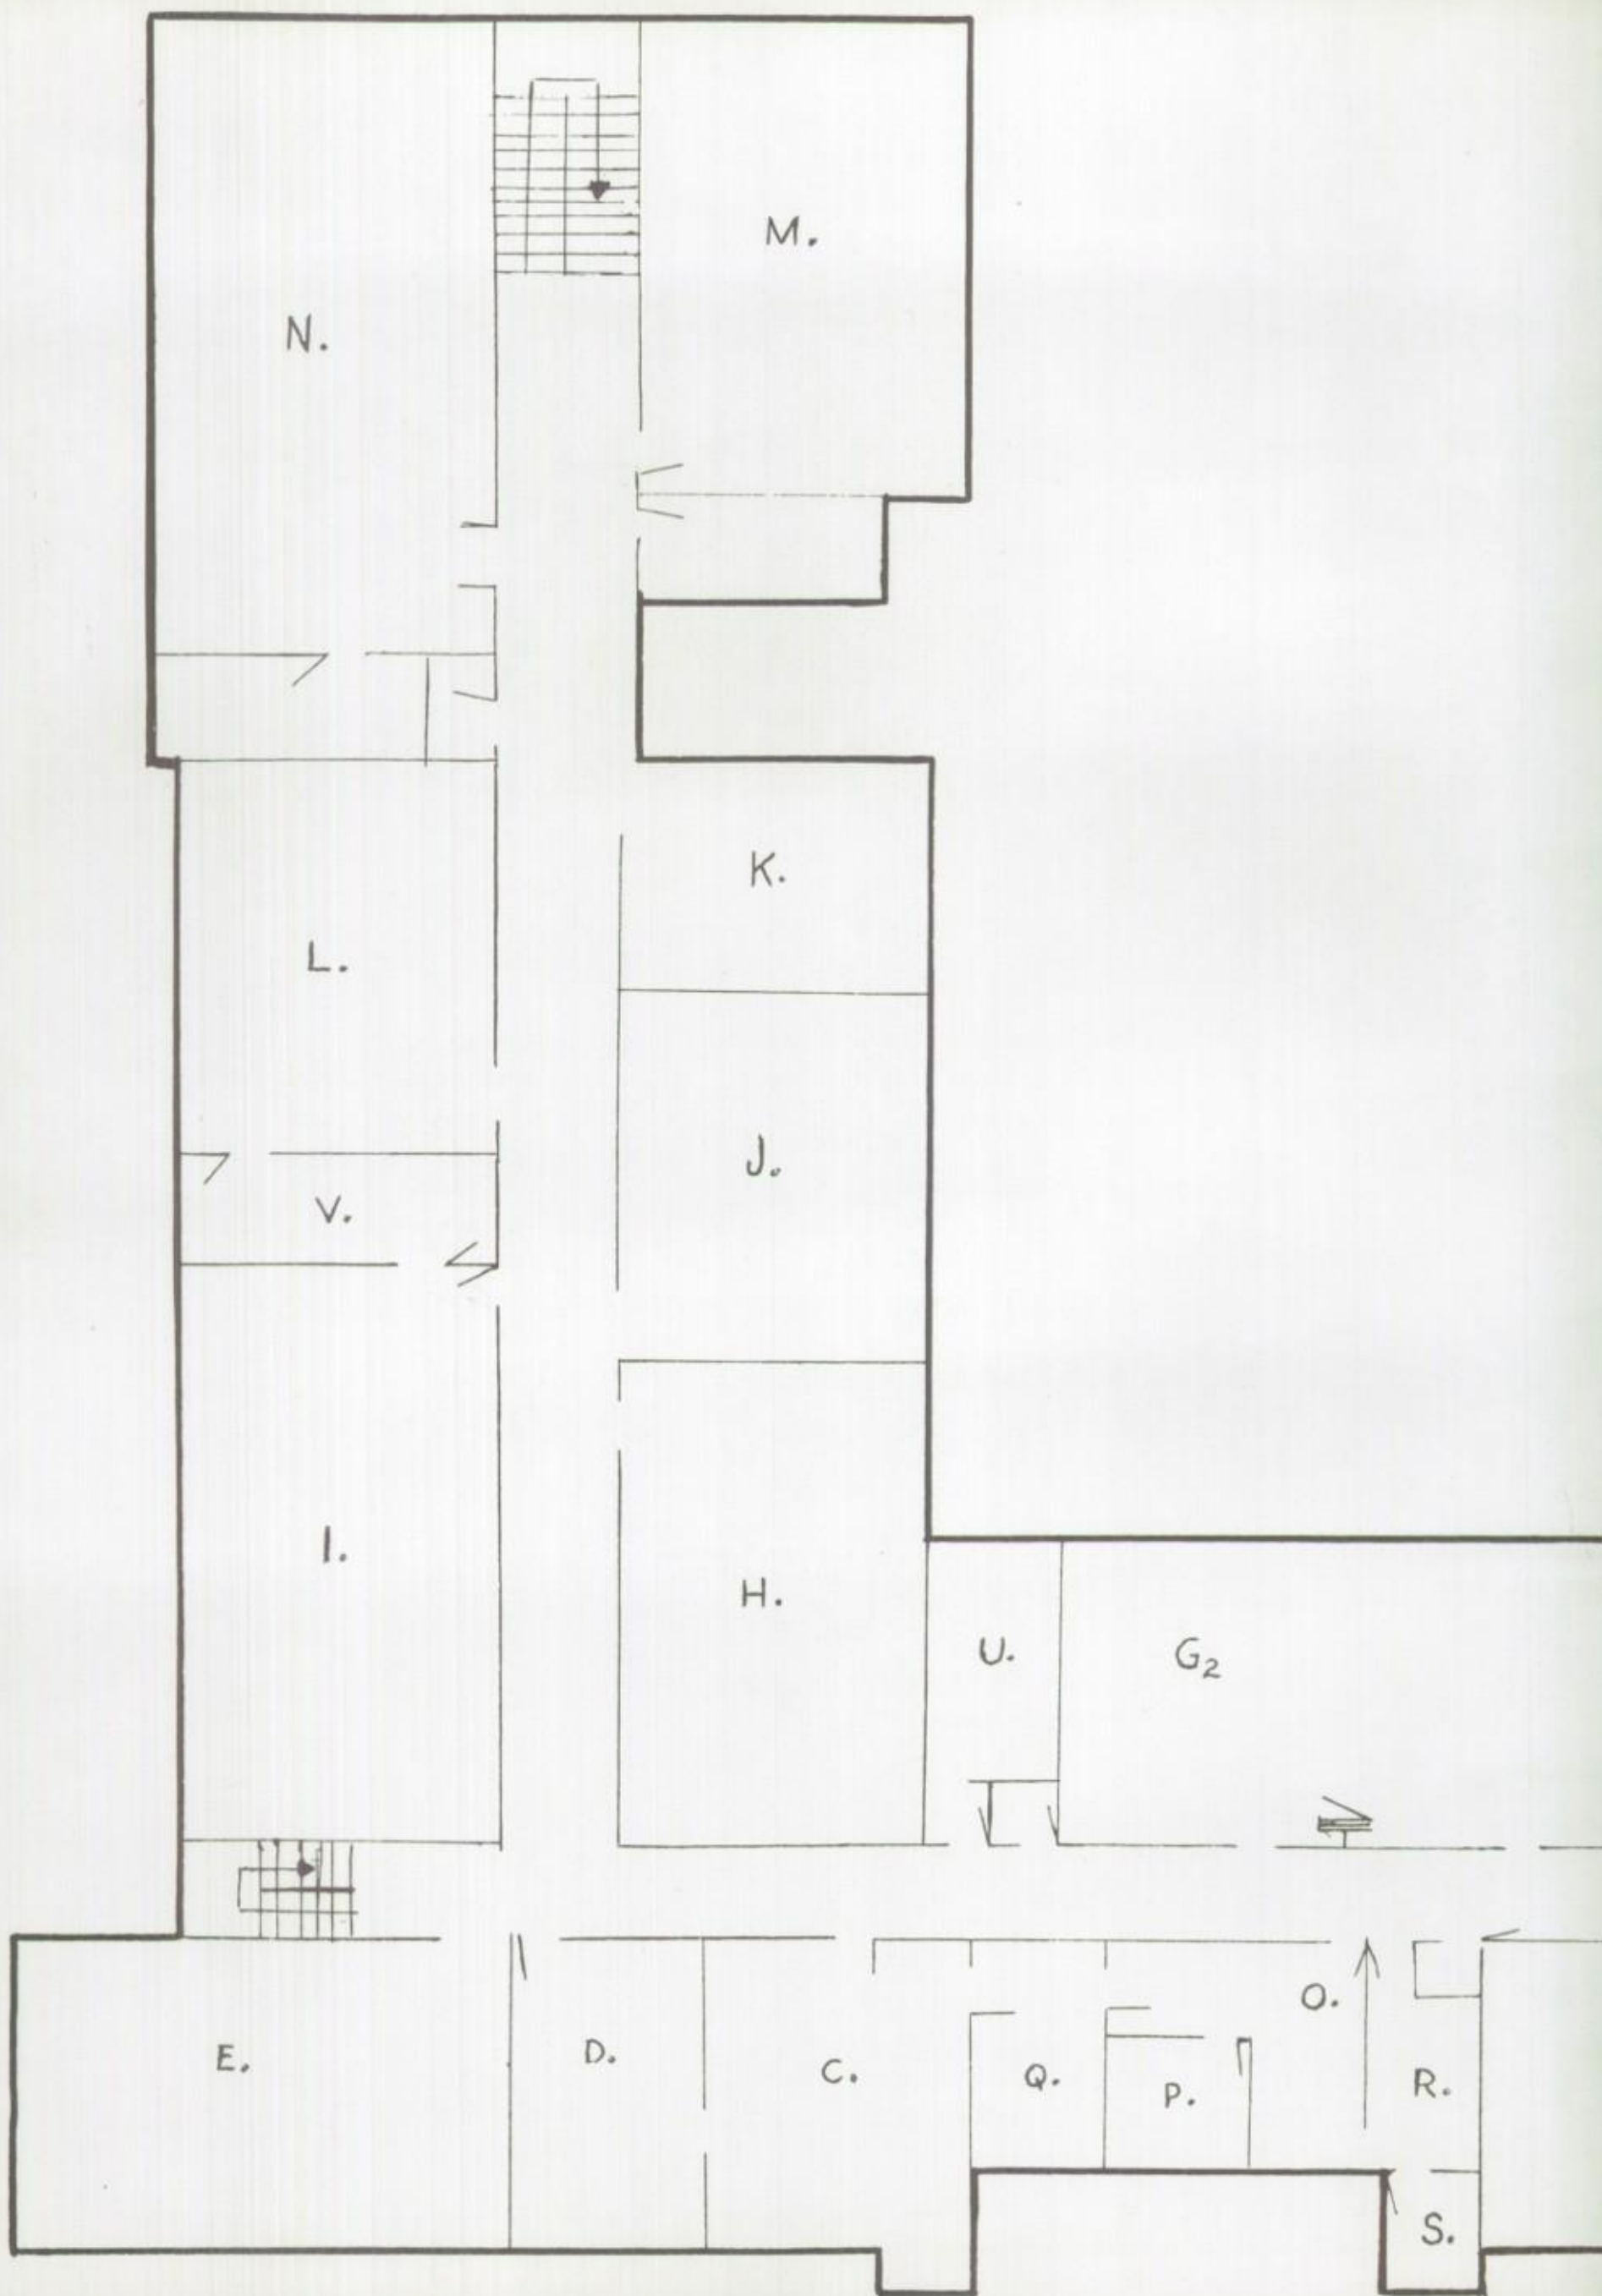

Mrs. Law endorsed many student activities, such as various literary organizations, and was instrumental in establishing the Franklin Chapter of the National Honor Society.

Mrs. Law is to be remembered especially for her extraordinary social graces, and her unselfishness in being a sympathetic friend to many.

Our wish for Mrs. Law is many happy years of retirement with her husband in their new home in Florida.

To the folks of Franklin, our school and its students are deeply indebted. In its darkest hour the flame of its existence was nearly snuffed out. This moment of urgent need raised the unity of the town, its people, and the school to a zenith never before reached.

Words cannot begin to express or erase the proud, overwhelming feeling that is in our sincerest and heartfelt thanks.

Principal's Message

To the students and townspeople of Franklin:

As we, students, staff, and parents, read this fine yearbook, we cannot help reliving this past year, which has been both difficult and rewarding. We must congratulate ourselves. Not only have we survived in eleven different buildings, we have maintained a high level of education, have received several scholarships, and have watched the erecting of a "new" school building.

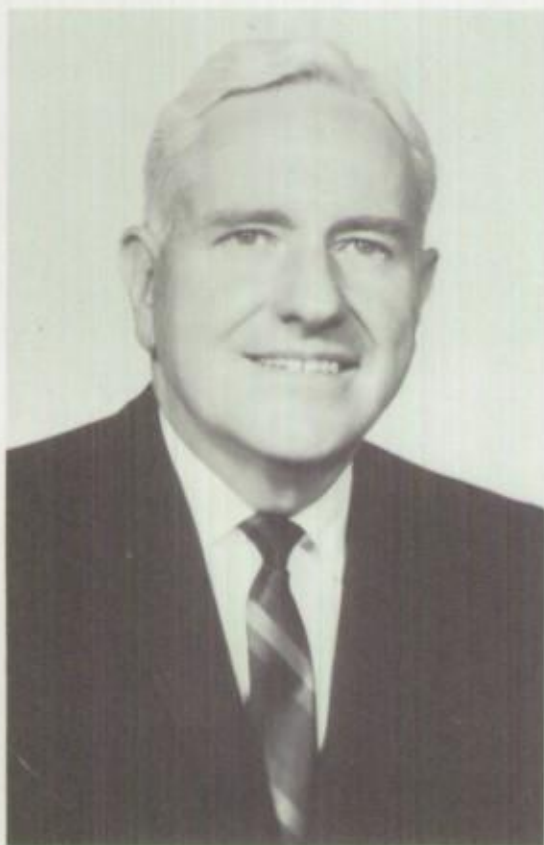

To each senior go my best wishes in choosing, pursuing and gaining a career which will be both satisfying and rewarding. The going will be rough. The news media tell of wars, civil unrest, drug abuse. I pray that each of you has acquired the training, attitude and philosophy to face each difficulty as it comes, and to solve each problem in such a way that those of us at Franklin will be proud to have helped you.

May the rest of us, students and staff, look forward to a new year, a new building, and the continuation of a fine school.

To the staff of this year's LIBERANNI go my congratulations for this fine yearbook.
